Panel Discussion to Follow Presentations

Join us for the Promoting Healthy Weight colloquium, which is FREE for both online and onsite participants! This is the third colloquium of the biannual Promoting Healthy Weight Colloquium 2.0 series. The Spring 2015 colloquium will focus on infant feeding for the first six months of life. Colloquium presentations are intended for family members, practitioners, and researchers. Approval for continuing education credits will be submitted for Registered Dietitians and Certified Health Education Specialists. For more information go to: http://nutrition.utk.edu/promoting-healthy-weight-colloquium-series-2-0-overview/
